

Last Sunday AM	Last Sunday PM	Children's Revival
<p>Elder David Harris taught "Taking The Advantage Over Doubt" using II Kings 7:3 as his text. Sometimes we have faith and pray for others but don't have the faith for ourselves. Sometimes we doubt or question things that happen like healings and miracles unless we see it ourselves. We question when someone is healed before our eyes and we still go home not healed. We need to pray God touches our unbelief. Sometimes the devil convinces us we have a spirit and really it is all just doubt. The Children of Israel were in under siege. Four leprous men decided to enter the enemy camp, and they changed everyone's future. We have to help others believe. It's hard to explain something you can feel and not see. Sometimes "Doubt" is our security blanket. Many people walk around and live in pain and hurt. But there is a real God who brings joy to our lives. Sometimes we question God. We have to believe God. He will answer when we really believe. When Christians have sickness and problems, others say there is sin which causes it. This is not true. When bad things happen to us we need to remember all the good things that have happened. Sometimes we get in a bad mood and God can't use us. God can set us free if we pray. We just need the faith to believe it's going to happen. Take advantage of your own faith.</p>	<p>Pastor Joseph preached "Gnashville—Home of Rock and Roll" using Acts 7:54, 57-59 as his text. The Grecians murmured against the Hebrews that their widows were neglected. So the church appointed seven men full of the Holy Ghost and wisdom to serve the widows. Stephen was one of these, and he did great wonders and miracles among the people. Stephen was a great defender of the truth, but a Jewish court tried him via dishonesty (false witnesses against him). In his own defense, Stephen preached unto them words that the Holy Ghost gave him. When they heard the TRUTH, they were cut to the heart and <i>gnashed</i> on him with their teeth. When we tell the truth, sometimes we get a good response (such as Peter got in Acts 2), but at other times we may get gnashed upon, or even worse. After Stephen was literally chewed upon, they dragged him out of the city and stoned him to death. Today in America, people often suffer for speaking the truth. Speak the truth anyhow! If the Lord gives you words to say, then say them, no matter what people say or do to you. Speak the truth!</p>	<p>Our special guest evangelist, David Taylor, is known as the Gospel Magician. He uses various skills, including ventriloquism, sleight of hand (magic tricks or illusions), and making balloon animals, etc, to illustrate his stories in preaching truth to the children. This crusade is his second visit to CAC. The special services began this past Wednesday night, and are set to conclude today. For the first three nights, services held here at CAC included <i>Righty the Rabbit</i>, magic tricks, and other fun things, leading up to serious prayer around the altar. We praise God that on Thursday night, CAC's Madison Colombo received the baptism of the Holy Ghost! She is to be water baptized in Jesus name on June 24. Also, we praise God that on Friday night, the Godwin's niece, Olivia, received the baptism of the Holy Ghost! Many children have been renewed in the Holy Ghost. Saturday, CAC helped Bro Taylor put on a program at Meadowbrook Mall.</p>

Survey Sez	Youth	"The Time is Now" by Sis. Felicia Sandy
	I have been thinking a lot lately about how we always say "God is <i>going</i> to do this and God is <i>going</i> to do that" and that "God is <i>going</i> to send us revival..." That is all good and true, but we need to realize that if we keep saying this in future tense, it's not going to happen. When do we think the 'is going' will ever become 'is'? I believe that God <i>is</i> giving us revival! We need to realize that <i>now is the time</i> for the 'is going' to happen. Our churches are having revival! Some people may not see it, but I do, and it's awesome! I'm so excited about the great things God is doing, and I don't want to miss any of it! God is beyond awesome!

The little girl was so sleepy she barely stayed awake long enough to hear her big sister's prayer. Finally, nodding and yawning she said, "Copy, God. My prayer is the same as hers, Amen"		
Two small boys were a constant problem for the pastor, and the parents did nothing to correct them. So the pastor asked his assistant, if the boys were disruptive at the morning service, to take them to his office and have them wait for him. Sure enough the boys showed up with their usual vigor. After a short while of talking and laughing and making airplanes out of bulletins, the assistant took the boys to the pastor's office. When the pastor came after the service he took little Billy in the office with him and asked, "Billy, do you know where God is?" (wanting him to realize that he was in God's house). Billy didn't even look up and remained silent. "Billy, do you know where God is?" the pastor repeated. "Billy, I'm going to ask you one more time, Do you know..." Billy jumped up, ran out the door, grabbed his buddy and yelled, "Let's get out of here!" They ran all the way to Billy's house, into his bedroom, and Billy began to pack his clothes. His buddy asked him, "What did the preacher say?" Billy said, "God is missing and he thinks we know where he is!"

Apostolic Christian Academy's fieldtrip to Blennerhassett Island

- **Top:** The island's faithfully detailed recreation of Harmon and Margaret Blennerhassett's beautiful mansion. The original mansion was destroyed by fire, but many authentic furnishings survived because they had been removed from the home because of an auction long before the fire.
- **Lower:** Kieran Joseph smiles in the foreground. In the background: The white structure is an arbor built behind the Blennerhassett mansion, and the stone (seen beside Kieran's head) is part of a recreation of the Blennerhassett's herb garden.
