

Last Sunday AM	Sunday PM	Wednesday PM
<p>Brother Jerry Samouce was our special guest. He has an amazing history and a very powerful, greatly anointed personal testimony of the saving power of Jesus Christ. Pastor Joseph had previously asked him to give his testimony during the service, and Brother Jerry entitled his message “Put On Your Mission.” The Bible tells us in several different verses to “put on Christ Jesus” and Brother Jerry used that wording for the basis of his title. His amazing testimony moved us all in wonder, amazement, and tears. Brother Jerry is used in the gift of prophecy, and he prophesied over several people during the service. There was a rush to the altar as he finished speaking, and among those seeking God were Jacob Sutton and Jared Sutton. Both of these young men were filled by the Spirit of the Lord and were water baptized in Jesus name. They both have a great future ahead of them in the Kingdom of God. (They were among those that Brother Jerry prophesied to.) CDs and DVDs are available!</p>	<p>Sunday night we had a special treat. Bro. Jerry Samouce, our special guest, joined with CAC’s Pastor Joseph and FAC’s Pastor Benedum for <u>tag-team preaching</u>. The topic was “The Glorified Body.” The message focused on Jesus’ own transformation and glorification after His death and resurrection, and on how He will change our lowly bodies to be like His own at His catching away of the Church. Often people say that one cannot know what our lives will be like then, but the Scriptures actually tell us that Spirit-filled believers can know! 1 Cor. 2:9-1 says, “However, as it is written: ‘No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him’ —but God has revealed it to us by his Spirit. The Spirit searches all things, even the deep things of God. For who among men knows the thoughts of a man except the man’s spirit within him? In the same way no one knows the thoughts of God except the Spirit of God.” Get your copy!</p>	<p>Our monthly Youth Service was exciting and well attended. We do so appreciate that all our adults attend and take part on Youth Night. We had several visitors from the North View area, and they enjoyed the service and stayed for the pizza party / fellowship after the service. During the Youth Service, there was a round of “Testimony Tag” (which is sort of like the game “Tag—You’re It”, except that when one is tagged, he or she is to give a testimony for the Lord before tagging someone else). There were many great testimonies from young and old alike. Sis. Missy Harris led the children in a Scripture-filled process of making spiritual pizza. Special thanks to Associate Pastor David Harris Jr. and Sis Missy Harris for their hard work in leading the Youth of CAC. Also, many thanks to all of you that helped with the fundraising drive for the upcoming WV Youth Congress 08. It was announced that the drive was a success and is complete. We thank God for our CAC Youth!</p>

Fun HUMOR Send in your funny stories to news@cac.us.com

A nurse on the pediatric ward, before listening to the little ones' chests, would plug the stethoscope into their ears and let them listen to their own hearts. Their eyes would always light up with awe, but she never got a response equal to four-year old David's comment. Gently she tucked the stethoscope into his ears and placed the disk over his heart. "Listen," she said, "What do you suppose that is?" He drew his eyebrows together in a puzzled line and looked up as if lost in the mystery of the strange tap - tap - tapping deep in his chest. Then his face broke out in a wondrous grin and he asked, "Is that Jesus knocking?"

There was an important job to be done and **Everybody** was asked to do it. **Everybody** was sure **Somebody** would do it. **Anybody** could have done it, but **Nobody** did it. **Somebody** got angry about that because it was **Everybody's** job. **Everybody** thought **Anybody** could do it, but **Nobody** realized that **Everybody** wouldn't do it. It ended up that **Everybody** blamed **Somebody** when actually **Nobody** asked **Anybody**.

Christian Apostolic Church
Community of the Redeemed

2007-2008 • Apostolic Christian Academy "Eagles"

ACA is a K-12 Christian school that is a ministry of CAC. Our academy uses the School of Tomorrow curriculum from Accelerated Christian Education. ACA also utilizes Accelerated Christian Education's LCA program (a cooperative dual-enrollment plan), which means that our ACA-LCA graduates obtain a diploma that has full accreditation with the *Commission on International and Trans-Regional Accreditation* (CITA) and the *Southern Association of Colleges and Schools* (SACS). These accrediting agencies are widely recognized by educators worldwide and accepted as leaders in advancing quality school improvement.

Our school provides instruction in godliness with a biblical worldview integrated in all subjects of study. We also maintain a high level of excellence in academics. ACA is recognized as a *Quality Status* school by Accelerated Christian Education. Also, we reappraise our progress annually by testing every student with the Stanford Achievement Test (SAT). All of our students do well on the SAT, and almost all score well above average. (Several score very far above average, including a fifth-grader who averaged twelfth-grade levels, with even some post-high school levels, on the SAT's Mean Grade Equivalency results.) Be sure to check out the ACA website at www.cac.us.com/aca
