<p>Elder Lorren Godwin preached “Our Passion for Jesus Christ” using Mark 5:25. The woman with the issue of blood had been to many doctors. Yet there was no cure for her. One day she saw a crowd where Jesus was. She had heard many good things about Jesus. Because of her passion to see Jesus, she pressed her way through the crowd and touched the hem of His garment. Sometimes the power of God may fall on others all around us, yet not fall on us. We need more passion for Jesus. At times we are afraid to truly show our emotions, perhaps fearing that others might think we’re backslidden. Then we’re simply too proud to push more for Jesus. When we cry out to God, He will hear us. He’s with us always. Sometimes when we are going through a valley, we build a shell around us instead of giving it up and giving it to God. Satan whispers lies to us, and too often we believe him. We begin to lose our passion for Jesus. When Satan tries to get you offbeat, just stay focused on Jesus. Base your life on Jesus and the Word of God. Stay strong.</p>	<p>Elder David Harris preached “It’s Time to Stretch” using Exodus 3:20. When the Word of God speaks, it’s going to happen. Just as Jesus and His disciples spoke boldly, we need to speak boldly. We have a promise. When God speaks it’s going to happen. When a promised son died, his mother found the prophet. And Elisha stretched himself upon the boy and he resurrected. It is time for the church to stretch. If we stretch to reach what God can give, God Himself will stretch out His hand, and we are going to get what He promised. Take a stumbling block and make a stepping stone out of it. Stir up the Holy Ghost. The Holy Ghost reaches down and fixes problems. Stretch forth your hand and God will heal. Stretch your faith for healing. God can miraculously heal any kind of sickness. God is amazing! It’s time to stretch. It’s time to speak the word of faith. Accept that God really wants to heal us. Hold onto the promises of God. It’s going to happen.</p>

A father was approached by his small son who told him proudly, "I know what the Bible means!" His father smiled and replied, "What do you mean, you 'know' what the Bible means?" The son replied, "I do know!" "Okay", said his father. "What does the Bible mean?" "That's easy, Daddy," the young boy excitedly replied, "It stands for 'Basic Information Before Leaving Earth.'"		
There was a very gracious lady who was mailing an old family Bible to her brother in another part of the country. "Is there anything breakable in here?" asked the postal clerk. "Only the Ten Commandments." answered the lady.
