Bulletin continued on back...

Wednesday PM

Pastor Joseph preached "Let's Do Something" using II Kings 6:24,31,33 & 7:1-3. When all seems to be going fine, it's bettering to sit still and meditate on the Lord. But when Satan throws everything he has against you, it's time to stand up and DO SOMETHING. If we sit until we deserve something from God, we'll always be sitting. The four lepers who were sitting outside the city of Samaria said "Why sit we here until we die?" So they got up and did something (went inside the city) not knowing if they would live or die. God used their action to save the city. When they were hiding the treasures they had found, one of them said that they were not doing right. They should go tell of the victory they'd found. We shouldn't hide this salvation that we've found. We must go tell everybody. God used four lepers to save all the people. Why would God use us who have so little to offer? We all must do something. You may not be an expert, but do what you do know to do! God will magnify and bless it.

Sunday PM

Pastor Joseph preached "A New Beginning" using Genesis 1:1 and I Thessalonians 4:1-11. This is a holy church. Walk and live to please God. Love one another. We cannot clean up our own lives to then try to let God straighten up our lives. We cannot do it in our own power. Follow our own power. Follow peace with all men and walk in holiness. Some preachers preach love in, stand your ground and do what God's Word says: Cast your cares on God. Make a joyful noise unto the Lord. Don't let doubt, depression, or fear steal your joy. Let the devil know that you're casting your cares upon Jesus. Faith is the substance of things hoped for and the evidence of things not seen. God's Word is a "now word." Joseph was in the enemies' camp, but he cast his cares onto God and was delivered. Joseph forgave his brothers. Don't be angry. Joseph told his brothers that God sent him to preserve their lives. We have love for each other, people know we are His.

Last Sunday AM

Elder Charles Hoskins taught using I Peter 5:7,8,9; Romans 8:15; and Hebrews 4:16. Jesus wants us to cast all our sorrow, mutual pain, depression, and fear on Him. Be vigilant (aware) for the adversary is chasing us. Give it to God, and He will take care of it. God has not given us the spirit of fear but of power and love. When the enemy comes in, stand your ground and preach holiness. Some say: Cast your cares on God. Make a joyful noise unto the Lord. Don't let heaven or hell issue. Man shall not wear what pertains to a woman and woman shall not wear what pertains to a man. Any church that will not tell you when you're doing wrong doesn't truly love you. When your pastor spends time in study and prayer, he knows what pleases the King. We are part of a separate church. The pastor has to give account for the souls of the church. When we have love for each other, we need to have compassion and love like Jesus did.

Three preachers sat discussing the best positions for prayer, while a telephone repairman worked nearby. "Kneeling is definitely best," claimed one. "No," another contended. "I get the best results standing with my hands outstretched to Heaven." "You're both wrong," the third insisted. "The most effective prayer position is lying prostrate, face down on the floor. The repairman could contain himself no longer. "Hey, fellas," he interrupted, "the best prayin' I ever did was hangin' upside down from a telephone pole."

A minister parked his car in a no-parking zone in a large city because he was short of time and couldn't find a space with a meter. Then he put a note under the windshield wiper that read: "I have circled the block 10 times. If I don't park here, I'll miss my appointment. Forgive us our trespasses." When he returned, he found a citation from a police office along with this note: "I've circled this block for 10 years. If I don't give you a ticket I'll lose my job. Lead us not into temptation."
