

Last Sunday AM

Pastor Joseph preached “Be A Gatherer, Not A Scatterer” using Rev. 9:6-11 and John 10:10. Our God is a building God. When things are going bad for us, God causes all things to work together for good. The devil was an angel who rebelled. He fell and one third of the angels fell with him. The devil destroys and tears things down. It’s easier to tear things down instead of building them up. It takes constant upkeep to keep something up which has been up. The destroyer (devil) mentioned in Rev. 9 wants to destroy people and separate them from God. The name over the door of a church will not save you. You can go to church for years and be lost if the blood of Jesus Christ hasn’t been applied to your life. You must let the blood change you. Stop being a destroyer and start building up. Resist the devil. Resist his influence and keep going. We should build ourselves up by praying in the Holy Ghost. Build on the Rock “Jesus Christ, the chief corner stone.”

Sunday PM

Pastor Joseph preached “Get With The Program” using Luke 1-49. God foreknows everything. He knows the past, present, and future. When God says “Depart from me. I never knew you”, you never had a relationship with Him. Whose side are you on? You need to get with the program. Water baptism is part of the covenant. If you don’t have that, you’re not part of the program. We are in a relationship with God. That is the program. You can lose your salvation by doing evil and not good. ‘Once saved, always saved’ is a falsehood. What every soul needs is a personal relationship with God. That is the program. The power of God is miraculous. God is calling to us to get with the program and begin to talk to people about the Lord. Don’t let what someone calls you bother you. God wants you to desire to be a part of the program. One day we will have to answer to God for everything in our lives. God wants us to be like Him.

Wednesday PM

Tim and Lana Chandler gave us a concert of gospel singing. We were blessed by the anointed songs that were sung for the glory of God.

Attending a wedding for the first time, a little girl whispered to her mother, "Why is the bride dressed in white?" The mother replied, "Because white is the color of happiness, and today is the happiest day of her life." The child thought about this for a moment then said, "So why is the groom wearing black?"

Three boys are in the school yard bragging about their fathers. The first boy says, "My dad scribbles a few words on a piece of paper, he calls it a poem, they give him \$50." The second boy says, "That's nothing. My dad scribbles a few words on piece of paper, he calls it a song, they give him \$100." The third boy says, "I got you both beat. My dad scribbles a few words on a piece of paper, he calls it a sermon, and it takes eight people to collect all the money!"
