Last week (Sunday through Wednesday): A Creation Seminar!

The Creation Seminar was truly amazing. The Grohman family's ministry is unique. There are not enough words to tell how awesome this seminar is, or how beneficial it was for our church. If we could have a thousand ministries like theirs functioning in Pentecost, it would not be near enough. Yet we know of only one. If you missed it, you need to get a set of the DVDs. If ever there was a ministry you need to invest into your family, this is one. Hosting this seminar is one of the best things our church has ever done. Everyone needs to hear the full truth about Creation versus evolution. Visit their website at www.creationseminar.net. You can send your thanks to the Grohmans by email at creation@creationseminar.net.

Fun! HUMOR

Send in your funny stories to news@cac.us.com

The pastor said, "Every member of this church is going to die someday." Then he noticed that a man in the congregation began to grin. Thinking he hadn't heard him, the pastor repeated himself several times, in a louder voice each time. The man was almost laughing now. Perplexed, at the end of the service the pastor cornered the man and asked why he was so happy. He said, "I'm not a member of this church."

One day the pastor set aside time to visit the children in Christian school. During the visit he observed the children studying the states, and he asked them how many they could name. They came up with about forty. He jokingly told them that in his day students knew the names of all the states. One lad raised his hand and said, "Yes, but in those days there were only thirteen."
