Last Sunday AM	Sunday PM	Wednesday
<p>Elder Charles Hoskins taught using Genesis chapters 1 and 3. God is a speaking creator. God spoke all into existence. At first the earth was without form (flat and covered with water) and void (without function or purpose). It was covered with water and darkness. But the Spirit of God moved on the deep, and God spoke the land into shape, giving the earth function and purpose. When God speaks it is powerful. Man was made in God's image, thus our words can be powerful. Adam was there when the serpent tempted Eve to eat of the fruit. He was silent when he should've spoken and told his wife not to eat that fruit. We need to speak up and tell our brother and sister when things are not right. We ought not be silent, or hide it or cover it. We need not to be silent. Adam was silent, not deceived. He should have protected his wife. We cannot afford to be silent. We must talk to men and women about God. Be vocal and give thanks unto God. He is reliable. Call upon the Lord. He answers. Don't be silent.</p>	<p>Bro. Adam and his wife, a missionary couple newly appointed to the Gulf States [last name withheld because the bulletin gets posted on the Internet], preached "Get A Life" using Luke 9: 23-27. If our focus is on what we see in this world, we will lose our life. Look for things eternal, spiritual. Get in a place where you make serving God your life. Your focus must be on God. Unplug yourself from this world. Don't be anxious of what you are going to eat and wear. The Lord knows what you need. Seek ye first the Kingdom of God and His righteousness and all these things will be added. What is your first priority in life? Is God a part of your life or is He number one? He can't just be there; He has to be on top. WE MUST HAVE GOD. We don't need some new thing or new program. We need to plug into Heaven. God ought not be secondary to us. Don't just survive. <u>Get A Life</u>. Lose your worries about what people think, etc. God is our peace, our strength; He is all we need.</p>	<p>Pastor Joseph taught a study on the Book of Micah, using Micah 2:12-13 as his text. Micah was a minor prophet who exhorted God's people to live holy in the midst of very wicked times. Today, we face a similar challenge. America's foundations are being destroyed. We are watching the collapse of civilization. The world is teaching untruths to our children, such as to not marry and to not have children. As Micah exhorted people to live holy, we must have faith and continue to live holy. Be a shining light to a perverse nation. Having done all to stand, stand. The church is a body of Spirit-filled believers doing what the Bible says. Everywhere we go we are the church. We ought to be holy no matter where we go. We hope and pray for America to turn to God and have revival, but even if America doesn't have revival, we still must live right anyway. If one doesn't live right, the judgment of God will come upon him. God is a God of love, but also a God of judgment.</p>

**Fun!** HUMOR      Send in your funny stories to [news@cac.us.com](mailto:news@cac.us.com)

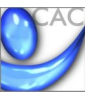

Six-year-old Joey returned to school at the end of summer break. After just three days the teacher called to tell his mom that Joey was misbehaving. "Hold on a minute," the mom interrupted. "I just finished three months with Joey and I never called you once when he misbehaved."

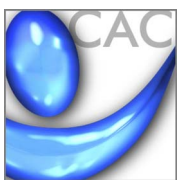

A teacher asked the children in her Sunday School class, "If I had a big garage sale and sold all that I own and gave all the money to the church, would I get into Heaven?" "NO!" the children all answered. "If I cleaned the church every day, took care of the yard, and kept everything neat and orderly, would I get into Heaven?" Again, the answer was "NO!" "Well," she continued, "Then how can I get to Heaven?" In the back of the room, a small boy shouted out, "You gotta be dead!"
