Last Sunday AM

The Spirit of God moved in an awesome way. Praise the Lord.

Sunday PM

Associate Pastor David Harris preached "Revival Is Here, Let's Be Apostolic!" using Romans 15: 18-19. In the day and hour in which we are living we must be Apostolic. We must have the genuine power of Jesus Christ. We must get out of the flesh and let our spiritual minds bring into captivity the worldly desires that try to take hold of us. We must speak the Word of God with boldness. The disciples went forth and preached God's Word with boldness and many signs and wonders were done in the name of Jesus. We must preach everywhere and we need Heaven to back us up with signs and wonders following. As the disciples preached God's Word, Jesus worked with them confirming with signs and wonders. He will be with us today. *Let's be Apostolic!* We need to preach not with fancy words but in the power of God. It's time for things to happen. It's time to see someone be transformed. Let us go forth in the Apostle's doctrine. We will see things happen—healings, miracles, and people filled with the Holy Ghost. Let the Spirit of God breathe on you.

Wednesday

Pastor Joseph preached "Relationship Over Riches" using I Samuel 30:1-6. When all was lost, David did not turn away from God. Instead, David encouraged himself in the Lord. When you are discouraged, when you don't know what to do, hold onto God and He will bring you through. Many people followed Jesus only for the miracles, for the loaves and fish, and when Jesus taught them the Word they turned away from Him. We must have a relationship with Jesus. When the night is the darkest, hold onto Jesus. Job lost everything except for his wife, yet he loved God in his bad times as well as his good times. He stood his ground when he was tested because he had a relationship with God. Economic times separate the wheat from the chaff. Love God more than material things. Your heart is where your treasure is. Don't let money be your primary goal. Make Jesus your goal. Have a relationship with Him.

HUMOR

Send in your funny stories to news@cac.us.com

Picture at left: You know the winter snow has gone on long enough when people start building a snowman just so they can put a noose around its neck!

Every Sunday morning on the way home from church, my wife and I would ask our three year old son to tell us about what he learned in Sunday School. We always knew already, but we liked to see if he was paying attention and learning. One Sunday, the lesson was on Stephen, and how he asked God to forgive the people who were stoning him. I asked my son what we should do if somebody does something mean to us and he replied, "You forgive them and then you die!"
