Last Sunday AM	Sunday PM	Wednesday
<p>Elder Hoskins preached "Fear Not, God is Already There" using II Chronicles 20:1-26. There are things about tomorrow that we don't understand, but God is there; He holds tomorrow in His hands. Jehoshaphat called upon the Lord to help him in battle. God told him where to go and what to do to win the battle. God knows what we need. We don't have to worry about what to eat, drink or wear. (Matthew 6:33) "But seek ye first the kingdom of God, and his righteousness: and all these things shall be added unto you." When we praise the Lord mighty things will happen. If we want a mighty move of God we need to stand and worship together. When you don't know where to go or what to do, go to Jesus. If you seek, fast and pray the Lord will come down in the midst of you and give you direction. We need to get lost in worship, prayer and intercession. Don't fear because the battle is not ours; it's the Lord's.</p>	<p>Pastor Joseph preached "The Way, The Truth, The Life" using Isaiah 55:1-7. God's way is the best way. We need to let go of our plans and let God grant us His plans. Just because we have freedom of choice doesn't mean that we are wise enough to choose. We need to let God help us to choose. We live in a world of technology and knowledge, but knowledge is not wisdom. We truly need wisdom. If you lack wisdom, ask God and He will give it to you. There's strength in God's wisdom. Jesus said, "I am the Way, the Truth and the Life." There is only one way to Heaven. We must not love this world or things of this world. The world lies to us in saying "if it feels good, do it." Be mature. Pray to God, and seek counsel from your parents and your pastor. Stop and ask God if you are right. It is wasteful and wicked to live life your way. Our ways are not God's ways, neither are our thoughts God's thoughts. Don't do it your way. He is the Way. Let Him guide you.</p>	<p>The Spirit of the Lord moved powerfully in this service, including a season of tongues and interpretation in which the Lord essentially spoke that we need to realize the strength of anything is in its origin or cause. The strength of symptoms is in their source/cause, and the real way to get relief is to get rid of the cause. Some sickness has a physical cause, some emotional, and some spiritual. The strength of the Word of the Lord is in its origin: God. The Lord encouraged us to come and pray and allow His power to conquer our problems at their source. Bro. Ronnie Barker testified to the church about a dream he was given by the Lord, in which the Lord stressed how much He wants to meet our needs. Many people had their faith strengthened and many effectual, fervent prayers were sent up for many varied needs and situations. We are full of faith for victory, and thus we are excited about seeing and hearing the upcoming testimonies resulting from all this.</p>

Fun! HUMOR Send in your funny stories to news@cac.us.com

A few days after Easter, Mark, age 6, went to the refrigerator to get a piece of his chocolate candy. He asked his mother if she wanted a piece. "No," his mom said. "I'm trying to lose weight." "Well," Mark said, "when you wanna gain weight, my Easter candy will be in the 'fridge. Eat all you want."

A Sunday School teacher was attempting to teach her young students the true meaning of Easter. "Why do we celebrate Easter?" she asked. When the children replied 'because of the Easter bunny,' Easter eggs, candy, spring, etc., she said, "No, those are Easter traditions and symbols, but what is the REASON why we celebrate Easter? What happened at the very first Easter?" A little girl raised her hand. "Yes!" said the teacher, excited and relieved that finally the correct answer would surface. Encouraged, she prompted, "Jesus arose from the tomb, and what does He do for us?" The youngster replied, "He looks to see if He can see His shadow, and if He can, He goes back in for another six weeks."
