Last Sunday AM	Sunday PM	Wednesday
<p>Pastor Joseph taught on "The Afterlife." He gave biblical support for the understanding that souls of deceased people are conscious and self-aware in a realm or dimension other than this natural, physical earth. He told why the Bible led him to conclude the doctrine commonly called "Soul Sleep" is false. Jesus, in Mat 22:29-33 said that Abraham, Isaac, and Jacob were even then "living" even though they were dead from an earthly perspective. In Luke 16, Jesus said that a rich man, Lazarus, and Abraham—even after their earthly deaths—could think, speak, and feel, etc, within the Abode of the Dead (also called Hell). God talked with self-aware souls after their deaths (and before their resurrection) in Rev. 6:9-12. Before Jesus' resurrection, all souls (both good and bad) went down to the Abode of the Dead (some to comfort and some to torment), but ever since He arose, the souls of dead Christians rise to be with the Lord, according to II Cor. 5:6-8. Per v. 7, we will see Him at death!</p>	<p>Pastor Joseph preached a message entitled "Fresh Oil." This phrase is found in Psalms 92:10 and other places in the Bible, including Num. 11:8, where the words describe the taste of food made from the Manna that God bestowed from the sky upon the Jews in the wilderness. Pastor Joseph used Psalm 92 and Num. 11 as his texts, and he also used Isaiah 43:18-22, in which God said, "Behold, I will do a <b>new thing</b>; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, <i>and</i> rivers in the desert." In Ecc. 1:9 the wise man said "there is <b>no new thing</b> under the sun." That is true as far as what man can do, but God can do a new thing, and He has promised to do so. From prophecy we can discern what that new thing is: the wonderful New Covenant we enjoy! Yet just as the Jews grew bored with Manna and complained against God and Moses, we (if we're not careful) can get bored with life in Christ. We must keep His anointing on us fresh! Fresh oil!</p>	<p>Associate Pastor David Harris Jr. preached an anointed message from the Lord, and God blessed powerfully in the service. The title of Elder Harris' message was "God's Power." He read Isaiah 50:2 for his text. Everyone seeks a source of power to help them conquer the challenges we all face, and many doctors, schools, self-help coaches, companies, groups, and corporations make money off people by claiming to offer the power &amp; help we need. However, in reality, only God has the true power we need, and His power is limitless. He offers it freely to those who serve Him in sincerity and truth. The power of God can cause life where there is none. His power can cause healing when our body is not up to the task. His power can bring deliverance from addictions and wash away all manner of harm in our past. Many offers of power in this world are detrimental paths, but God's power brings deliverance that has no harmful side effects. His power helps us and it adds no sorrow!</p>

A mother was preparing pancakes for her sons, Kevin, 5 and Ryan, 3. The boys began to argue over who would get the first pancake. Their mother saw the opportunity for a moral lesson. "If Jesus were sitting here, He would say 'Let my brother have the first pancake, I can wait.'" Kevin turned to his younger brother and said, "Okay Ryan, you be Jesus!"

I was waiting at a customer services station at Asda when a woman in front of me was returning a disposable barbeque. When asked why she was returning the barbeque, she replied that there was no meat in it. The shop assistant patiently explained that the disposable barbeque was simply to cook the meat and it did not include any food. Whereupon, the customer looked very embarrassed indeed. The assistant checked the receipt and asked, "There are 3 barbeques on here, are you returning the other two as well?" "I can't", said the woman, "they are at home in the freezer".
