Last Sunday AM	Sunday PM	Wednesday
<p>Elder David Harris Jr. preached "From Being Blessed to Receiving a Promise" using Luke 24:49-53. "And he led them out as far as to Bethany, and he lifted up his hands, and blessed them." After Jesus rose from dead, He walked and talked with His disciples and performed miracles. When it was time for Him to be taken up, His disciples walked with Him to Bethany. There, He blessed them and told them to go to Jerusalem to wait for the promise. From Bethany to Jerusalem they had to go on their own; they had to go on without the Master. Some didn't make it. They got distracted by the cares of life and never received the promise of the Holy Ghost. When Jesus went away He said "I will come again." The final promise is New Jerusalem. We can receive that promise. We are the temple of the Holy Ghost. God will grant us the power to make it. Satan is working hard to distract us. He knows God's word, and he will do everything he can to get us to give up. But the Holy Ghost within us is GREATER. Stay on the road to Jerusalem!</p>	<p>Jr. Elder Rusty Sandy preached "We Are More Than Conquerors" using Romans 8:37. Sometimes it's hard to stay in church and fight life's battles, but we must do it. God is can break any addiction in your life. He can help us carry any weight. We are more than conquerors through God. We are overcomers by the blood of the Lamb. We can't overcome the devil alone. He plays mind games with us because he knows his time is short. We may have walls in our minds that we can't break down alone, but we are more than conquerors through God. Paul and Silas were thrown in prison but that didn't stop them from worshipping. As long as Moses held up his hands, the battle with the Amalekites went their way. We raise our hands with open arms to receive victory. When Moses' hands got heavy, Aaron and Hur held them up. Sometimes we get weary and tired but God will give us power to go on. We need our church, our pastor, and our brothers and sisters. Satan is out to devour us. Do not give place to the devil.</p>	<p>Pastor Joseph preached on "The Will of God" from Matthew 6:24-34. God's moral judgments about any given situation never change. The key to knowing the will of God is to ask what are His judgments about the <i>current</i> circumstance, because circumstances are changeable, even though His decision is unchanging. Before humans existed, God did not will for angels to marry. When the situation changed, and there were humans, God's will about marriage was revealed. Before Adam and Eve sinned, God's will about clothing did not apply. After they sinned, the situation changed and revealed His will on clothing. If no one ever murdered anyone, God's will would be for society to not ever put anyone to death. Yet because the situation is such that murder happens, God has revealed that His will is that murderers be put to death. God's will is known by comparing His truth to a given situation.</p>

The teacher asked her class what each wanted to become when they grew up. A chorus of responses came from all over the room. "A football player," "A doctor," "An astronaut," "A fireman," "A teacher." Everyone responded, except Tommy. The teacher noticed he was sitting there quiet and still. So she said to him, "Tommy, what do you want to be when you grow up?" "Possible" Tommy replied. "Possible?" asked the teacher. "Yes," Tommy said. "My mom is always telling me I'm 'impossible.' So when I get to be big, I want to be 'possible.'"		
Little Johnny was eating breakfast one morning and got to thinking about things. "Mommy, why does daddy have so few hairs on his head?" he asked his mother. "He thinks a lot," replied his mother. She was pleased with herself for coming up with a good answer for her husband's baldness, until Johnny thought for a second and asked, "So why do you have so much hair?"
