Sunday AM

Elder Pascal Crites preached "The Resurrection of Jesus Means A Miracle For You" from Isaiah 6:1-4. Isaiah saw the Lord "sitting upon a throne, high and lifted up, and his train filled the temple." When earthly kings won a battle, additional cloth was added to their train. God's train was so long that it filled the temple. Our God is awesome! He has overcome the world; won every battle. Our God is great; He's our Savior, Deliverer, Healer, Provider, Protector, and Way-Maker. God can do all things! The angels "cried one unto another, and said, Holy, holy, holy, is the lord of hosts: the whole earth is full of his glory." We need to have an explosion of praise unto our God. Each one of us has testimonies of great things God has done for us. We need to sing praises to Him until our house is filled with the glory of the Lord. John the Revelator said, "I was in the Spirit on the Lord's day" (Revelation 1:10). We need to be truly changed, not just have emotional highs. It takes more than just going to church two days a week to be Christ-like. We must live our lives every day to be like Him. We must live a holy life, for we are a holy people. We are to be holy even as He is holy. Jesus paid the supreme sacrifice for us when He went to Calvary. People may think that their life is too sin-filled to come to Jesus, but the sacrifice has passed inspection. Jesus purchased our salvation on Calvary.

Sunday PM

God moved so powerfully in our evening service with Elder Pascal Crites. He ministered to us about not being conformed to the world. We need to be separate from this world. As the world grows deeper in sin, we see some members of the church conforming. They may say "this little sin won't hurt me," but it does. They are not where they used to be. We must come out from among them and be separate people. We need to lay things down that are not right. The church is not married to the world. We are married to God. We need to have anguish over lost souls. Anguish is deep pain, deep suffering. Jesus had great anguish when He died for our sins. We need to pray and fast for souls. There is going to be a great revival at CAC. Let us stay separate from the world! Experience God's anguish over lost souls! *We thank God for the wonderful preaching ministry of Elder Crites at CAC today!*

Wednesday

Elder Hannah Sandy preached "Our God is a Strong Tower" from Judges 9:50-54 & Proverbs 18:10. When you feel like everything is against you and you can't fight this battle anymore, just go to God and ask for help. He can heal our bodies, help us in a financial crisis, mend broken homes or give anything we may need. God is our strong tower. There is nothing He can't do. His strength is everlasting. Elder Keith Fought preached "People Get Ready, Jesus is Coming" from Genesis 7:15-24 & Matthew 24:36-44. Jesus is coming back! We are living in a world that is not concerned. Just as people were living in the days of Noah, people are living today. There is evil continually going on. As Noah built the ark, people laughed and mocked him, but one day God shut the door. Today preachers are preaching

"Jesus is coming," but people are laughing and ignoring it. One day Jesus will come. Get ready! Be ready so when Jesus returns, you can go to Heaven with Him.

Fun! Kids Corner Thomas' Unbelief (John 20:29)

Jesus appeared to Mary and the disciples—John 20

John 20:10-31 gives details of Jesus' appearance to His disciples after His death. Thomas wasn't present the first time Jesus appeared, and Thomas declared that he wouldn't believe unless he had touched Jesus' wounds. Finally Thomas saw and touched Jesus. What did Jesus tell him?

Two gentlemen boarded a coast-to-coast flight and were seated next to each other on the commercial plane. After breezing through the on-flight magazine, the first man turned to the other and asked, "What do you do?" The other replied, "I am pastor of a church." "Oh," said the first man quickly, "I don't believe in this religious stuff. It's for kids, you know, like the song 'Jesus loves me this I know, for the Bible tells me so....'" The minister politely laughed and asked the other man what he did for a living. "I am an astronomer," said the first man. "Oh, that stuff," said the minister, "I thought it was just for kids. You know—'Twinkle, twinkle little star....'"
