## Friday PM and Saturday PM

We were so blessed to have a wonderful Children's Revival (theme: "Super Kids Church") with Bro Randy Mocaby during June 21-23. Every service was phenomenal. You could see excitement and anticipation in the eyes of the children as they waited for service to begin. Bro. Mocaby let the children take part in the services as he would play games with them. There was much laughter and joy throughout every service. They clapped, shouted, spun around and danced their praises to the Lord. He gave some of the kids instruments to play. They really enjoyed this ministry. He would tell the children a Joy Story. Friday evening he talked of "Super Heroes." He based his story on I John 4:4. All children are special to God. They are super heroes to God. Saturday evening he talked of "POW." He based his story on Mark 5:6. P.O.W. stands for the "Power Of Worship." Keep on worshipping. We can't let the devil steal what we have.

## Sunday AM & Sunday PM

Even we grownups were excited to see what Bro. Mocaby would bring to us today. At our Super Sunday School he talked of "Super Leaders." He based his story on Psalm 8:4. We must be careful and not let little things creep into our lives because they can lead us astray. Sunday evening was great! CAC's shyest member, little Destaney Bargo, even participated in the games. Bro. Mocaby talked to the children about receiving the Holy Ghost. His scripture text was "ye shall receive power" (Acts 1:8). He asked all the children to come up front and pray for the Holy Ghost. Praise God, six children were refilled with the Holy Ghost and one child received the Holy Ghost for the first time. We praise God for the ministry of Bro. Mocaby.

## Wednesday

Elder Hannah Sandy preached from Exodus 4:10-16. Moses questioned God when the Lord called him to lead His people out of bondage. One reason was that Moses was slow of speech. God told him that He would be his mouth and give him words to say. Still he questioned God. Never let your calling go to someone else. God calls you because you have a purpose in His Kingdom. Never let something God has given you become a hindrance to you. You have power in God. You stand out by the way you look. Don't let things that don't matter hinder your walk with God. When we see our inability to do something, God sees our potential. Elder Lorren Godwin preached from Judges 3:31. Shamgar was a hero who delivered Israel from the Philistines. Each year the Israelites raised crops of food and year after year the Philistines came and took it. One day Shamgar said, "I've had enough," and he slew 600 Philistines with an ox goad. It's time we make up our mind that we aren't going to let anyone destroy what we have. We are free. It's time to stand up for truth. It's time to pray and fast to see souls saved. It's time to take back what the devil stole from us.

The new minister stood at the church door greeting the members as they left the Sunday morning service. Most of the people were very generous telling the new minister how much they liked his message, except for one man who said, "That was a very dull and boring sermon." A few minutes later, the same man again appeared in line and said, "I don't think much preparation was done for that message." Once again, the man appeared, this time muttering, "Pastor... really blew it. Didn't have a thing to say." Finally, the minister could stand it no longer. He went to one of the deacons and inquired about the man. "Oh, don't let that guy bother you," said the deacon. "He's a little slow. All he does is go around repeating whatever he hears other people saying."

Jesus said, "Let the little children come unto me."  
Look for things that start with the letter "B." How many can you find?
