Sunday AM

Pastor Joseph showed a video titled "Evolution vs. God" and spoke about the divine purpose and high calling of each and every human person. For his text he used Ecclesiastes 11: 9-10 & 12:1-14. The creation is proof of the Creator. Life is sacred. A dog or a pig is not equal in value to a human. God created mankind to be the ruler of this realm. The false theory of Darwinism tries to explain away all magnificent varieties of life with two unconscious (and unguided) natural mechanisms: natural selection and random changes (in other words, mutations). According to Darwinist theory, these two mechanisms led to the emergence of the complex structure of living cells, as well as the anatomical systems of complex living things, such as eyes, ears, wings, lungs, bat sonar and millions of other complex system designs. Darwinism actually teaches that over time a single, accidentally formed, living cell somehow evolved into both cabbage *and* humans. No! God created all. The first man, Adam, had genetic potential to produce different traits and different races of people, some of which are still seen to this day. Wicked people fool themselves thinking there is no God. For them, anything but God will do. Yet a godly person full of the Spirit will accept nothing but God. When the college professors teach falsely against God, "Remember now thy Creator..."

Sunday PM

Elder Baron Claypool preached "Burden For Souls" from I Samuel 1:1-2 & 9-16 and Luke 22:31-32. Hannah had no children; she went to the Lord and prayed and wept in such anguish that she was mistakenly thought by the high priest to be drunk. Likewise the church needs to have a burden for souls. We need to travail in pain so new souls can be born into the kingdom of God. There are not enough tears on the altar in the house of God. We need to intercede for souls. God wants us to be desperate for souls, not only new souls but also the backsliders. There can be no birth without labor. We need to go out and witness for God. The church needs to sacrifice their time, energy and meals to see souls born. The priests and ministers wept and cried out to the Lord to spare the people in Joel chapter 2 and their prayers were answered. God will give us revival when we travail for souls.

Wednesday

Elder Keith Fought preached from Luke 24:46-49 & II Timothy 1:7-8: "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind. Be not thou therefore ashamed of the testimony of our Lord... but be thou partaker of the afflictions of the gospel according to the power of God." Don't be ashamed of your walk with God. We have power in the Holy Ghost. God has given us power to overcome. When Satan rages and throws fiery darts at us, we can be victorious. We have power in the name of Jesus. Don't be afraid of anything that may come your way. There's power in prayer. We need to pray more in the Holy Ghost. Don't let anything or anyone come before you and God. Don't be bound and afraid, but keep the spirit of love and a sound mind. God has given you power.

My sister's eldest boy liked nothing better than to sit on his grandfather's knee and have stories read to him. One day after a story about Noah's ark, and how Noah led two pairs of each animal to the safety of the ark, the little boy asked, "Granddad, you are very old. Were you in Noah's ark?" "Oh no," said Granddad. The boy replied, "In that case, how come you didn't drown when the flood came?"

Featured Verse

"Obey them that have rule over you, and submit yourselves: for they watch for your souls, as they that must give account, that they may do it with joy, and not with grief: for that is unprofitable for you" (Hebrews 13:17).
