Sunday AM

Pastor Joseph preached "The Spirit Led Life" from John 10:22-38 and 3:3-10. God was manifest in the flesh. An angel appeared unto Joseph before Jesus was born and told him to "call his name Jesus for He shall save His people from their sin." Jesus said, "I and my father are one." God has revealed Himself to us as a good and loving God. God provides food and clothing for us. How much more we need God for salvation! God gave His very own name to Jesus (the man). It is a name that is above every name. Jesus (the humanity of God) walked on this earth and suffered every temptation we do, yet was without sin. He (the man) was always obedient to the Spirit of God that was within Him. The human aspect of Him had to decide whether to be obedient to the plan of the cross. He prayed, "Not my will, but thine be done." We must be born again of the water and of the Spirit. Repent, be baptized in the name of Jesus and be filled with the Holy Ghost. Let the Holy Ghost lead you in all aspects of life. We must walk after the Spirit and not fulfill the lusts of the flesh. We must be like Jesus. He was our example of obedience.

Sunday PM

Elder Rusty Sandy preached "The Foundation is Built, But Some Building Blocks Are Still Being Built" from Luke 6: 46-49. The church cannot stand unless it is built on a strong foundation. We build to new levels in God every time we come to church. We must never get satisfied, but always work to see more souls come to God. We need a passion for this church. Bro. Bill Feathers had a vision. Many are not here; they have gone on to their reward. To name a few: Bro. Andy Jersey, Sis. Betty Horton, Sis. Juanita Yoak, Bro. Jack Murphy, Bro. John Todd, Bro. Archie Price. They were building blocks. We are headed forward in the future. Those who have gone on helped us get to where we are today. We are built on a strong foundation. But we can't settle where we are now. We have to keep going. There are no limitations to God. Don't be satisfied. Keep building, praying, and fasting!

Wednesday

Jr. Elder Brian Murphy preached from Joshua 6:1-11. The people shouted as they went round Jericho seven times, then the walls fell down and they had victory. We need to shout, and then we will have victory. The world has evil all about us. We must not keep silent, but stand and proclaim the truth. The world doesn't know the truth. We must get out of our comfort zone and do a work for God. We have already won the victory. Let us go and tell others.

Elder Lorren Godwin preached from Psalm 1:1-6. Delight yourself in the law of the Lord. Meditate in His law always. Hide God's Word in your heart so you won't sin against Him. Build your house upon a rock. Then when the storms come, God will be in control and the rock will stand. We must obey God's Word.

Burning Bush: God's Name

Burning Bush: God's Name?

When Moses told God what he should tell his people God's name was, what did God say? Use the key below to match the symbols with the letters to reveal the answer.

A pastor, welcoming a new family into the community, patted three year old Kathy on the head and said, "God bless you." "What did he say that for?" the little girl said to her mother. "I didn't sneeze."

City of St. Louis at Dawn

Photo by Pastor Doug Joseph. This is the downtown "skyline" of the City of St. Louis at dawn, with the famous St. Louis Arch in the distance (center-left, behind a building). The sky was so bright it silhouetted the ground. The photo had to be taken twice, at two different exposure settings, and then both exposures were combined in Photoshop to render a single photo. The human eye is so much more adaptive than the best cameras ever made. We are fearfully and wonderfully made!
