Sunday AM

Elder Lorren Godwin preached from Mark 6:46. Jesus had just done a great miracle by feeding 5,000 with only five loaves of bread and two fish. He sent His disciples into a boat and told them to go to the other side of the sea. When He departed to pray, a storm arose and the disciples panicked and were sore afraid. They had just witnessed this great miracle that Jesus performed. They should have trusted that if Jesus told them to get in the boat that He would take care of them. They called out to Jesus and He came walking on the water. God knows what we will come up against. Whatever the storm may be, we can find Jesus when we call on Him. David trusted God, and he killed a lion and a bear. He knew God would be with him and help him kill the Philistine giant. When you are facing storms, keep your eyes on Jesus and trust Him. Just keep pressing on. Don't quit. God already knows the problem. He'll see you through.

Sunday PM

Elder Baron Claypool preached "Relentless Pursuit of Perfection in Our Walk With God" from Ephesians 4:1-13. We must be persistent in our walk with God. Jesus was tempted in all points, yet without sin. He was perfect. We are complete in Him. Be passionate—strive with every fiber to achieve perfection. Our first priority must be God, then spouse, then family and then church. We can't put one thing ahead of another. We must love God with our whole heart, mind, soul and strength. Sin is a measure of missing the will of God. We must aim for perfection. We must strive to measure up in everything we know to do. Don't let old habits creep back in your life. We must walk in the Spirit. We need to examine ourselves and lay aside every weight and sin. Time is short and precious. We must live holy. One mistake will make us miss out on what God has for us. Jesus should be Lord of everything in our lives. Be complete in your relationship with God.

Wednesday

Metro Missionary Justin Meadors preached "Living Sacrifice" from Romans 12:1. We are to present our bodies a living sacrifice to God. Sacrifice causes pain. It is something not convenient to do. All have sinned and come short of the glory of God. Before Calvary man had to sacrifice an animal each year via the High Priest. This was to be a sin offering to atone for the man's sins. Jesus took the sins of the whole world on Himself at Calvary. Now, after Calvary, we must repent of our sins, be baptized, receive the Holy Ghost and live a holy life. We offer the sacrifice of praise. Not all people's sacrifices are the same. For some it's a sacrifice just come to church or just to praise God or just to give in the offering. Everyone gives a sacrifice. Don't be judgmental. Sometimes in our sacrifices we must cut away things from our life that are not pleasing to God. Present your body a living sacrifice to God.

Everything From Nothing

Only God can create something from nothing. When He created our world and the whole universe around us, He simply spoke words and things came into being. To find out what God named the things He made, follow each path from God's words to the thing He made.

The Funny Side of Parenting

My wife and I had been talking in the morning about some of the skills needed to be a good parent. I thought about it during the day and was imagining things like love, wisdom, patience, and self-control. Unfortunately my four-year-old son came down with the flu, and when I got home that evening, my wife pretty much summed it up. She said, "Holding a kid with stomach flu is a true test of your love... and your speed!"
