### Sunday AM

The children, young and old alike, were thrilled as “Jumpin’ Josh Combs” ministered during Kids’ Super Church this morn. He encouraged the children to talk to Jesus as if He was one of their friends. Don’t be shy. Reach out your hands, close your eyes and talk to Jesus. He loves you so much. Amazing things will happen when we talk to Him. He told the parable of the prodigal son by using young ones in the audience. The choice is yours. When a son became of age, he made the choice to leave his father and go out on his own. After he had spent all the inheritance his father had left him, he was alone and desolate in the world. He was so hungry that the food pigs ate looked good to him. But no one gave him anything. He, then, thought my father’s servants have more than I do. I’ll go back to my father and ask to be one of his servants. His father was watching for him. When he saw him afar off, he ran to him. What a celebration they had because his son had made the choice to come home. Jesus is watching and waiting for you to come home. He loves you. Make the right choice today!

### Sunday PM

Super Kids’ Church continued this eve with “Jumpin’ Josh Combs.” The precious story of Zaccheus unfolded before our eyes. When Jesus arrived in town a group of people crowded around Him. Amazing things would happen such as the sick being headed and blind eyes opened. Zaccheus wanted to see Jesus but he was a short man and couldn’t see over the crowd. He had a desire deep inside his heart that he wanted to see Jesus. He saw a tall tree and climbed it so he could see Him. When Jesus saw this desire, He told Zaccheus to come down because He was going to go to his house that day. Jesus wants to be with you today. He wants to go to your house; He wants to go to school with you. Make the choice to take Jesus with you wherever you go. **How we enjoyed this ministry!**

### Wednesday

Pastor Joseph preached from Acts 8:4-17 about not using manipulation on others and not allowing ourselves to be manipulated. In the city of Samaria there was a man named Simon who had people believing that he had special powers. The purpose of witchcraft is to manipulate people. To manipulate is to control by artful, unfair or treacherous means. There are many false teachers in the world today. They manipulate people who believe their cunning lies. Apostle Paul said, “Follow me as I follow Christ.” If a preacher is teaching the truth of God’s Word, then follow him. Some people try to advance the right doctrine, but with a nasty spirit. You can’t force people to obey the scriptures; you have to teach them. When you strive for perfection, do it the right way with the right spirit of mind. God gave man the freedom of will. He can choose to obey or disobey God. You must be submissive to God’s will. You have to pray for yourself and make up your mind that you’re going to be submissive to God. We obey the scriptures because they’re right. This is particularly important in the need of submission (versus rebellion).

### Fun! Kids Corner Mary Anoints Jesus’ Feet — John 12

When people walked along the roads in Bible times, dust would get inside their sandals and make their feet dirty. Therefore it was the custom to wash their feet when they entered someone’s house.

Mary decided to wash Jesus’ feet for him. But she did not use water. Mary poured some expensive perfume on Jesus’ feet. Then she wiped his feet with her long hair. She did this to show her love for him.

What did Mary see when she looked at Jesus’ feet? Did she see the dust? Did she see sores and calluses from walking many miles to tell people about God? Maybe Mary thought about the words of the prophet Isaiah.

Solve the puzzle to see what Isaiah 52:7 says.

**The Funny Side of Parenting**

Little Johnny comes downstairs crying. His mother asked, "What's the matter now?" "Dad was hanging pictures, and just hit his thumb with hammer," said little Johnny through his tears.

"That's not so serious," soothed his mother. "I know you are upset, but a big boy like you shouldn't cry at something like that. Why didn't you just laugh?"

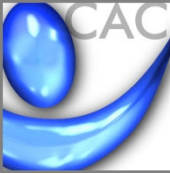

"I did!" sobbed Johnny.

**Yesterday: CAC's Concealed Carry Class**

The Concealed Carry Class was a successful event. The students learned basic pistol safety in a course that qualifies them to apply for a Concealed Carry Weapons Permit. Passing the course requires a written exam and shooting to qualify. The shooting proficiency required is to have 8 out of 10 shots hit within the target zone. Everyone who signed up passed the test and qualified on the shooting range.
