### Sunday AM

Evangelist Carlton Clark preached "Shockwaves" from Luke 21:25-26 & Acts 16:25-30. We are living in the last days. Things are becoming more wicked every day. We need every bit of the Holy Ghost that we can get. God's people need to learn to rebuke the devil for themselves and their families. The devil is real, but "greater is He that is in [us] than he that is in the world." The devil hates a person who is on fire for God. We have liberating power in Jesus name! We need to get a deep, deep interest in our relationship with God and be transformed by His Word. The Bible is a legal and binding contract. If we will obey God's rules and build our house on the Rock, then the devil won't be able to "huff and puff" and blow our house down. We are saved for a purpose. Thousands of people are going to hell every day. We need to PRAY! When Paul and Silas were thrown in jail they prayed and sang praises to God. The foundations of the prison were shaken. If we would get to the altar and pray for souls, the foundations of our city would be shaken. We need to pray and send shockwaves out to lost souls.

### Sunday PM

Pastor Pascal Crites preached "The One" from Acts 8: 1-13. The Lord our God is one (see Deut. 6:4 and other verses), and in everything that God does, He starts with one. He started the entirety of humankind from one man. He saved all of lost mankind with one man, the Lord Jesus Christ. In Acts 8, the people had been bewitched (manipulated and controlled) by a sorcerer for a long time, but when just one Apostolic man showed up, his preaching led to a city-wide revival that turned everything around and ended the reign of the sorcerer. Since God is going to do great things through someone, it might as well be you! It only takes one believer to start a move of God! Be that one!

### Babysitting Logic

One evening a grandmother was babysitting her two granddaughters, Anne and Betty. When 8:00 PM rolled around, she informed the two children (who were playing in the den), "Okay, time for bed." "Why? It's so early!" Anne (aged 6) asked. "Your father said your bedtime is 8:00," the grandmother said. "You don't have to listen to him," Betty (aged 4½) replied. The grandmother asked, "Why not?" Betty answered, "Because you're **his** mother!"
