### Sunday AM

Elder Lorren Godwin preached "The Spirit of Expectation" from Acts 3:1-5. We don't have to wait for a special service to see a move of God. We need to come to church, worship, and seek Him—expecting Him to move in His great power. Just because we don't see instant results when we pray doesn't mean nothing is happening. God is working. Come expecting something to happen. God takes care of His children. He knows what we need before we ask, but we have to ask. "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you" (Matthew 7:7). When we pray expecting to receive an answer, we will. We just need to have faith as a grain of mustard seed, nothing shall be impossible to us. Come to church and expect a heart change. God desires to give us good things: forgiveness, deliverance, healing, and the infilling of His Spirit. Come into the presence of God and expect to see a great move of the Holy Ghost.

### Sunday PM

Pastor Joseph preached "Living On The Hallelujah Side" from Romans 12:1-3. A disparity between perception and reality can exist in various ways, toward either faith or doubt. Live on the Hallelujah Side! If we don't take control of our thought-life, bringing every thought into captivity, we can be swallowed up with negative misperceptions. Don't live in doubt, fear, paranoia, or depression! Live on the Hallelujah Side! If we can only get God to just open our eyes, we will see the lies and deception of the enemy. There are more with us than are with them. Greater is He that is in me, than he that is in the world! Live on the Hallelujah Side! After much of Israel rejected God, He offered salvation to the Gentiles. Those who were the wild olive branch were grafted in. Eventually all Israel will be saved. In the meantime, because of God's great mercy, both Jews and Gentiles can enjoy His blessings and live on the Hallelujah Side. We must repent, be baptized in Jesus name, and receive the Holy Ghost. God commands us to live a holy life. We must present our bodies a living sacrifice, holy and acceptable to God. Don't emulate the values and behavior of the world. Let God transform you by renewing your mind.

### Wednesday

Elder Brian Murphy preached "I'm Hungry" from Psalm 23:1-5, II Kings 4:6 and Nehemiah 8:1-9. We need to be hungry for the Word of God, and keep ourselves at the altar, repentant. Keep your vessel full of the Holy Ghost. There is a time for praise and shouting, and a time for the Word of God. We should be hungrier for God's Word than we are for shouting and worship. We need to hear, and be attentive and obey God's Word. Let revival fire stay!

Elder Lorren Godwin preached "The Joy Of The Lord Is My Strength" from Psalm 114:2. We must have a made-up mind that we are going to serve the Lord. Let Judah (our praise) and Israel (our worship) be God's place of welcome, always in your heart. Don't feel sorry for yourself when troubles arise. Just keep praising God. "In every thing give thanks..." (I Thessalonians 5:18).

Harry walked over to the Pastor after services and said, "You know, Pastor, I am really stuck in a quandary. I would like to attend church next week, but I just can't miss the big game next Sunday. It's just out of the question." "Oh Harry, Harry," said the Pastor, putting his arm around Harry, "Don't you know? That's what recorders are for." Harry's face lit up, "You mean I could record your sermon?"
