Pentecost Sunday AM

Pastor Joseph preached a Pentecost Sunday message about experiencing the outpouring of the Holy Spirit, from Luke 24:49 & Acts 1:4-5. God is Holy, and He inhabits the praises of His people (Psalm 22:3). We are commanded to be holy (I Peter 1:16). If one is truly fed up with the sin burden, and he or she truly repents (which leads to a lifestyle change) that person may ask and God will give power to overcome sin, through the baptism of the Holy Ghost. One must be willing to depart from sin and press forward in their new life with Christ. "Blessed are they which do hunger and thirst after righteousness; for they shall be filled" (Matthew 5:6). This process results in the believer having a new heart, led by God, through having God's law written in your heart. The Holy Ghost will give you power!

Pentecost Sunday PM

Pastor Joseph preached "The Power of Pentecost" from Acts 1:1-8. The spirit of iniquity is in the world. "Love not the world, neither the things that are in the world..." (I John 2:15). The world is turning its back on God and Christianity. The spirit of iniquity is pushing for God's people to be silent about the Bible and about morals, miracles, and our mission, but we've got the Holy Ghost! We cannot stay silent, because it's like a fire shut up in our bones! We've got something to shout about. The world is trying to get rid of Pentecost. *This will never happen.* The world is trying to split churches. *God's true church stands together in unity.* We must obey the instructions of Jesus. We must be partakers of His death, burial, and resurrection. In repentance we die out to sin. In water baptism in Jesus name we are buried with Him. When we received the Holy Ghost, we are empowered to live a new lifestyle. The power of Pentecost is for today! It's for all believers!

Note: we praise God for Bro. Garry Hedrick being filled with the Holy Ghost!

Wednesday

Elder Zach Sandy preached "Never Satisfied" from II Kings 13:14-19. The Hebrew people of God were under the oppression of a foreign king. As an aging prophet of God was nearing his death in old age, the Hebrew king sought him out. The king was promised victory over the oppressors, and told to smite the ground with his arrows. He obeyed, but without enough zeal. As a result, the victory to come was limited and not lasting. We must never be satisfied with where we are now. We must not rest on our laurels. Push on to greater things in God!

Elder Baron Claypool preached "Guardians of the Tomb" from Mark 16:1-8. With unimaginable dedication and precision, an elite team of military volunteers guards the Tomb of the Unknown Soldier. How much more ought we to display even greater dedication to guarding the truth of our salvation message and our gospel witness on behalf of the Lord of the Empty Tomb! We ought to strive for such perfection in being guardians of His Empty Tomb that we exceed the worthy dedication of the soldiers in Arlington, VA. Their cause is just, but ours more so!

An 80-year-old couple was worried because they kept forgetting things all the time. The doctor assured them there was nothing seriously wrong, except old age, and suggested they carry a notebook and write things down so they wouldn't forget. Several days later, the old man got up to go to the kitchen. His wife said, "Dear, get me a bowl of ice cream while you're up." "Ok," he said. She added, "And put some chocolate syrup on it and a few cherries, too. You'd better write all this down." "I won't forget!" he said. Twenty minutes later he came back into the room and handed his wife a plate of scrambled eggs and bacon. She glared at him. "See, I told you to write it down!" "What did I forget?" he asked. She replied, "My toast!"
