Sunday AM

Pastor Joseph preached "The People Business" from Hebrews 13: 1-2. The church is in the people business. Success is being able to get along with others. It is important to get past the flaws of others and get along with them. Our friends, relatives, acquaintances and neighbors are people we meet daily. Keep a positive approach to life and greet each with a smile. At church we must be friendly; not just with each other, but with guests as well. The reason they return is because they were treated well. We cannot afford to have one guest have a bad experience because it will spread to others. Always treat others well. We need volunteers to come early and pray, then be an usher to welcome others as they come in. Talk positive about your church. We are representing God.

Sunday PM

Rev. Sydney Poe preached "The Importance of Doctrine" from Isaiah 55: 10-11. Doctrine means teaching. Our doctrine is the teaching of Jesus Christ. Doctrine is likened unto leaven. When added, leaven is powerful and spreads throughout the whole process of making bread. God's Word will never return void but will accomplish what it was sent to do. Doctrine is likened unto wind. We must beware of false doctrine. Doctrine is restoring and refreshing like rain. Hearing a truthful doctrine of Jesus Christ can bring revival. Our doctrine must be pure. We must maintain sound doctrine. We must align ourselves to what God teaches. We must continue living a life for Christ –always walking in the straight and narrow way. Sound doctrine is important because what we believe has an impact on what we do. Doctrine affects our eternal destiny. Only by obeying the teaching of Jesus are we promised eternal life.

Wednesday

Elder Rusty Sandy preached "When God Speaks" from Isaiah 55: 11. When God speaks we need to listen and obey. He speaks to us when we read the Bible (His Word). His Word is life unto us. We need to have it hid in our hearts. He speaks to us through our pastor. "And I will give you pastors according to mine heart, which shall feed you with knowledge and understanding" (Jeremiah 3: 15). He speaks to us when we pray. We must have a prayer life.

Elder Lorren Godwin preached "Forever Faithful" from Jeremiah 29: 13-14. We don't have to wait until we go to church to feel or hear from God. He can speak to us or hear us when we're at home, in the car or wherever we're at. He desires to have a relationship with us. Oh, how He loves us! We need to seek God with our whole heart. He is faithful to us. We need to be just as faithful to Him.

A young boy had just got his driving license. He asked his father, who was a minister, if they could discuss his use of the family car. His father took him into his study and said, "I'll make a deal with you. You bring your school grades up, study your Bible a little, get your hair cut, and then we'll talk about it." After about a month, the boy came back and again asked his father if they could discuss his use of the car. They again went into the father's study where the father said, "Son, I've been very proud of you. You have brought your grades up, you've studied the Bible diligently, but you didn't get your hair cut." The young man waited a moment and then replied, "You know Dad, I've been thinking about that. You know Samson had long hair, and Absalom had long hair." The minister said, "Yes, and they walked everywhere they went."
