Sunday AM

Elder Lorren Godwin preached "Bull's Eye" from Philippians 3:10-14. The closer we get to Jesus, the smaller our circle of friends and worldly cares get. It's hard to hit the target at the center because it is smaller. The smallest deviation can cause us to miss our goal completely, which is why Jesus should be our first priority in life. Reaching Heaven must be our desire. The thing we must totally give ourselves over to is pleasing God. We cannot quit and must pursue the target with our whole mind, body and spirit. Nothing is too much to give up if you think of what you have to gain. We must have a close relationship with God. Just as a relationship with a friend can become awkward when there has been much time away, so is our relationship with God. God's presence is healing and strengthening. It should be the most important relationship we seek for. My target is "Well done thou good and faithful servant."

Sunday PM

The presence of God took over the service and moved in a miraculous way. Sis. Diana Todd said as she was sitting there enjoying the service that it felt like a warm blanket fell around her shoulders. What an awesome feeling from an awesome God!

Wednesday

Elder JT Sandy preached "There Is Coming A Day" from Joshua 6:1-27. God told Joshua to have the priests blow trumpets of rams' horns as the sound of victory. While Joshua and his men marched around Jericho for six days nothing happened. Sometimes it may seem as if we are walking in circles around our problems. But if we obey God, there is coming a day when our problems will crumble like the walls of Jericho did, when the people obeyed and shouted on Day 7.

Elder Les Benedum preached "Lean On Me" from Matthew 26:38-42. God puts people on our heart so we can pray for them and carry them to the throne. Like a football coach shouting encouragement to his players to press on, when we pray with/for others we are helping them to press on. We all must lean on others in life. Keep praying for those whom God lays upon your heart!

Young Ernie and his family were invited to have Easter Sunday lunch at his grandmother's house. Everyone was seated around the table as the food was being served. When Ernie received his plate he started eating straight away. "Ernie, wait until we say grace," demanded his father. "I don't have to," the five-year-old replied. "Of course you do, Ernest," his mother insisted rather forcefully. "We always say a prayer before eating at our house." "That's at our house," Ernie explained, "but this is Grandma's house, and she knows how to cook."

Join CAC in celebrating the single most pivotal event in all of world history: **The resurrection of Jesus Christ** from the dead, three days after His crucifixion, is the most central event in the foundation of all Christianity. Only because Jesus was indeed God manifest in Christ as a fully human man could He truly have risen from the dead. The message of Jesus' death, burial, and resurrection is the Gospel (Good News) of the only true Savior of men. This greatest event of all time paved the way for us to one day be raised from the dead by our Lord. Thanks to Him, death is only a doorway to paradise for those who believe and obey Him.
