Sunday AM – Pentecost Sunday

Bishop Dan Garlitz preached “Average Is Not Enough” from II Kings 2:9-10. There used to be a time when an average person with an average job could expect an average lifestyle. Because of globalization, this isn't so anymore. In our walk with God, average isn't enough also. Everyday we must strive to do more for God, to walk closer to Him. We can't love God and the world at the same time. Elijah asked the people “How long halt ye between two opinions?” (I Kings 18:21). We must forsake this world's thoughts, words and deeds. Jesus told the church at Laodicea “Because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth” (Revelation 3:16). We must stay tuned in with God and always striving to be a better person. God is pouring out His Spirit today. Don't worry about “the good ole days.” There are more people receiving the Holy Ghost now than anywhere in the Book of Acts. This is the time for us to refuse to be average by stepping up and living a dedicated life for God.

Sunday PM – Pentecost Sunday

Bishop Dan Garlitz preached “A Power Greater Than Fear” from II Timothy 1: 7. Terror is in the news day in and day out. There is a war on terror, not just in America but throughout the world. Men have become more filled with fear because of terrorism. Fear is **False Evidence Appearing Real**. There is a power greater than fear. We have access to the power that destroys fear and that power is **hope in God**. There will be valleys in our life. Just because bad things happen to us doesn't mean we are wrong. Bad things happen to everyone whether they are good or bad. Just don't let anything destroy your walk with God. We who have hope know that whatever is formed against us will not prosper. We have hope in God. Our life is temporary. To die is “to be absent from the body, and to be present with the Lord” (II Corinthians 5: 8). Remember what God has done for you in the past. He will continue to do so. Hope in Him!

Wednesday

Elder Zach Sandy preached “You Are Now Entering Mission Territory” from John 4:35-42. We're in a mission field each day. God chose each one of us to go out and witness. There are hurting people everywhere. Don't avoid people with blue hair or a skull on their t-shirt. Those are the people who need to know about Jesus. Elder Lorren Godwin preached “My Life Depends On It” from Psalm 18:3. In the midst of troubles we need to cry out to God in praise. Job lost all of his earthly possessions, still he worshipped God. We must have an attitude of worship and praise. When we praise God with the right attitude miraculous things will happen. Praise will get us through dark situations in our life. Live a praise lifestyle.

Friday

Rev. Brian Norman preached “The Way: It Begins and Ends With a Choice” from James 1:13-15. Each of us will make a choice in our life that will determine the

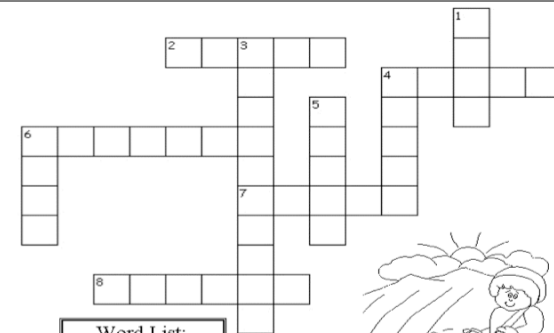

eternal destiny for our soul. Sin is all around us. Temptation will come to all of us. We sin when we are drawn away by own lusts (strong desires). Choices make an impact on our eternal destination.

Back In The Day

A mother was telling her little girl what her own childhood was like. "We used to skate outside on a pond. I had a swing made from a tire; it hung from a tree in our front yard. We rode our pony. We picked wild raspberries in the woods." The little girl was wide-eyed, taking this in. At last she said, "Mom, I sure wish I'd gotten to know you sooner!"
