Sunday AM

Pastor Joseph preached "Grab The Handlebars" from Proverbs 14:34. In gymnastics there is a saying *The more balance you have, the less strength you need*. This wisdom applies to all sorts of things. Then add this wisdom: whenever a fall would be disastrous (such as when riding a motorcycle), it's wise to have a safety plan in place. To apply the metaphor: balance = righteousness; strength = willpower; falling = sin, the safety net = God's grace. Like a helmet protects a falling rider's head, so grace protects us. Just like we should not repeatedly wreck a bike because we have a helmet, we should not repeatedly sin because we have grace. Righteousness affords us freedom. America was founded upon liberty. We need to use our freedom to talk to others about God while we still can. If America is likened to a motorcycle, who will steer? The righteous or the unbelievers? Grab the handlebars and steer! Pray for America! Speak out on the issues we face! God uses people to guide us from a bad situation toward a better end. Moses and Esther stood up and let God use them. Stand up! Get involved! Be American!

Sunday PM

Elder Les Benedum preached "Jesus Said..." from John 11:32-46. There is power in the name of Jesus. When we were baptized in Jesus' name we were raised from the dead. We were dead because of sin, but we are raised up to walk in newness of life. Jesus is with us everywhere we go if we have the Holy Ghost. We can take Jesus to others. People are searching... the answer is Jesus! At Lazarus' tomb Jesus said, "Loose him." We, who have the Holy Ghost, have the power to loose people in the name of Jesus Christ. "Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven" (Matthew 18:18). It is our job as the church to *loose* those whom God has brought out of sin through prayer. People needn't be bound. Depression is running rampant. Satan is trying to bind people. We need to be in our prayer closets, praying. Jesus is the answer!

Wednesday

Pastor Joseph preached "Strong & Fruitful" from Isaiah 40:25-31, 43:1-4, 10-19 & 44:1-6. Jesus is the Lord, the Holy One, the Great I Am. We must be people of the book. The truth must be preached so others will know who God is. God's very first command to all mankind was to be fruitful and multiply, when He created Adam and Eve. God will bless our offspring. "And they shall spring up as among the grass, as willows by the water courses" (Isaiah 44:4). We must raise our children up in the fear and admonition of the Lord and teach them the truth. We must teach them to hold firm to the godliness and holiness of their parents and grandparents.

Vacation Bible School

We had 17 different children in classes, ranging from 2 to 12 years old. We also were blessed by teachers and student helpers that made this week a success! The

theme of our VBS was "Sonrise National Park." We focused on Philippians 4:19. God is everything I need. In the midst of fun songs, unique crafts, and activities we learned how Jesus loves us and takes care of us in whatever situation we find ourselves. The children all had fun and are looking forward to next year when we can do it again! Thanks to all the volunteer staff and students who made this past week a success! —Elder Lorren Godwin

Where Is My Paper?

The irate customer calling the newspaper office, loudly, demanded to know where her Sunday edition was. "Ma'am", said the employee, "today is Saturday. The Sunday paper is not delivered 'til Sunday." There was quite a pause on the other end of the phone, followed by a ray of recognition. "So that's why no one was at church today."

West Virginians For Life PAC has endorsed Trump for President

—by Wanda Franz, Ph.D., President, West Virginians for Life Political Action Committee

Donald Trump has completed a candidate questionnaire with 14 out of 14 pro-life answers. He has put out a list of possible Supreme Court candidates that have been widely praised as those who will uphold the Constitution, not legislate from the bench. He is committed to supporting the Republican platform that contains the most pro-life plank ever. He has chosen as his Vice Presidential running mate, Governor Mike Pence from Indiana. While Pence served in Congress, he was designated one of the 20 most conservative individuals in the Congress and had a 100% pro-life voting record.

Hillary Clinton, on the other hand, has always personally supported abortion rights for women. Her personal support is reflected in the abortion policies she advocates. If elected President of the United States, she would be the most pro-abortion President to ever hold the office.

She has been a regular presenter at Planned Parenthood meetings. At her presentation in June of this year, she restated her support for taxpayer funding of abortion by repealing the Hyde Amendment that has stopped Medicaid funding of abortions since the 1970's. She opposes the pro-life Texas law that requires abortion clinics to submit to the health and safety laws required of every other health clinic in the state. Her opposition to this law undermines her claim that she supports women, as she will not even assure that abortion facilities are safe.

In other interviews, Hillary has taken the position that the unborn child has no constitutional rights, even in the last days before birth. She supports partial-birth abortions and has emphasized that promoting abortion is a primary goal of President Barack Obama's foreign policy. She has gone so far as to suggest that, in order to promote this international agenda in pro-life countries, "deep-seated cultural codes, religious beliefs and structural biases have to be changed."

Our culture of life is in jeopardy. A President Hillary Clinton will select pro-abortion Supreme Court Justices, who will set back our hard-won pro-life advances for a generation. We cannot afford to elect her to the presidency so she can put into place the most horrible of pro-abortion policies.
