Sunday AM

Elder Lorren Godwin preached "This Way To Victory" from Isaiah 43:18-21. We are so blessed. God takes care of us. He protects us. He'll prepare a way in the wilderness for us. When we're dying of thirst, He'll put rivers in the desert. Many times we get upset when God delays in giving us things or when He changes our direction, but God knows what's best for us. We need to change our attitude. Instead of getting down, discouraged, and questioning why, we need to have an attitude of worship and praise. Our life would be so much better. It is an honor to worship and praise God. People shouldn't have to be pushed to do this. If we live having an attitude of worship and praise, God can change our situation. Our attitude dictates our life. In spite of life's problems or how we may feel physically, we need to praise and worship God.

Sunday PM

Pastor Joseph preached "Solid Rock" from Isaiah 22:23 & Matthew 16:18. In the midst of our entire cosmos slowing down and wearing out, we serve a God that never changes. The world has nothing to offer us that is dependable, but our God is eternally dependable. "Every good gift and every perfect gift is from above" (James 1:17). We must stand on the solid rock, Jesus Christ our Lord. The church is built on the revelation of who Jesus is. Peter told Jesus, "Thou art the Christ, the Son of the living God" (Matt. 16:16). Jesus said that such is a revelation from the Father, and added, "upon this rock [the revelation] I will build my church" (Matt. 16:18). Isaiah (9:6-7) prophesied about the Messiah being born, and said His name would be called Mighty God, Everlasting Father, as well as Prince of Peace. Jesus is the Yahweh (I AM) in flesh. We "are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone" (Eph. 2:20).

Wednesday

Sis. Adena Joseph expounded on "Plans For The Forgotten." In the book of Genesis, Joseph followed God although doors were shut in his life. Joseph probably thought his life was a disaster, but none of it negated God's plan. When it seems like nothing will work out right for you, keep serving God with the right attitude. God has everything in control. If Joseph had given up, then the people of Egypt and many surrounding nations would have perished from hunger. Elder Zach Sandy preached from Judges 7:7-15. The enemy surrounded Gideon and his men. In the middle of the night Gideon and his men blew their trumpets and broke the pitchers that were in their hands. The light from their lamps shone everywhere. The enemy fled in terror. Although we may be surrounded by sickness, poverty and all kinds of other problems we will not back up but will go forward and work for the Lord.

A woman called our airline customer-service desk asking if she could take her dog on board. "Sure," I said, "as long as you provide your own kennel." I further explained that the kennel needed to be large enough for the dog to stand up, sit down, turn around, and roll over. The customer was flummoxed: "I'll never be able to teach him all of that by tomorrow!"
