Sunday AM - Creation Seminar

Evangelist Steve Grohman began the session with “I delight to do thy will, O my God: yea, thy law is within my heart” (Psalm 40:8). We were born to do something that matters eternally. “In the beginning God created the heaven and the earth” (Genesis 1:1). God’s word is truth (John 17:17), not man’s philosophies or pseudo-science ideas, such as the Big Bang and other notions, including evolution (defined as “the process [following life from non-life] by which different kinds of living organisms are thought to have developed and diversified from earlier forms during the history of the earth”). Such notions are simply man’s flawed ideas. God did not “use” evolution; Jesus stated that Adam and Eve were created at the *beginning* of all the creation, and indicated we cannot believe on Jesus if we don’t first believe Moses’ words. “And thou shalt teach them diligently unto thy children” (Deuteronomy 6:7). We need God’s truth. Stand on God’s word!

Sunday PM – Creation Seminar

John said, “thy word is truth” (John 17:17). In six days God created all this cosmos. “And God saw every thing that he had made, and, behold, it was very good. And the evening and the morning were the sixth day” (Genesis 1:31). Before the Flood, living things lived much longer and grew much larger. Of note, reptiles grow their entire life, which resulted in giant reptiles (aka *dinosaurs*, lit. “terrible lizards”) before, and in some instances after, the Flood. God told Noah after the Flood that mankind could eat the meat of every moving thing that liveth (Genesis 9:3).

Monday PM – Creation Seminar

Parents are to bring their children up “in the nurture and admonition of the Lord” (Ephesians 6:4). “Remember now thy Creator in the days of thy youth” (Ecclesiastes 12:1). Children must be taught about the creation of life from the time they are babies. “In the beginning God created” must be instilled in their minds and hearts. All kinds reproduce after their kind (tomatoes come from tomato plants, kittens come from cats, babies come from people, etc). This is testable! Evolution is not! Evolutionism has taken over many schools and colleges. They are trying to push God out of schools. Yet we know that God’s word is truth.

Tuesday PM – Creation Seminar

Brother Grohman expounded the biblical truth that all nations are of one blood. All mankind descended from Adam & Eve. Evolutionism falsely teaches that different races of people are at various stages of evolution, so supposedly some are lower forms of life and thus not yet “human,” which concept not only allows for racism but also actually demands it. Hundreds of millions of people have been murdered because of the flawed notions of Charles Lyell and Charles Darwin. Their anti-biblical ideas have literally been the most dangerous and deadly inventions in all of history on earth—used by Nazis, Communists, Fascists, and others to justify their slaughter of millions of people they deemed “not yet human.”

Wednesday PM – Creation Seminar

There was no rain before the flood. Water came from streams, rivers and a mist from the ground (Genesis 2: 5,6 &10). Again in Hebrews 11:7 Noah is described as being warned of things unseen. From the very beginning there is evidence of God’s creation. “While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease” (Genesis 8:22). The climate changes (Ice Age, Global warming) the causes of the different formations of the earth. God left His evidence everywhere.

A Sunday School teacher was carefully explaining the account of the prophet Elijah and the false prophets of Baal. She explained how Elijah built the altar, put wood upon it, cut the cattle in pieces and laid it upon the altar. Then Elijah commanded the people of God to fill four barrels of water and pour it over the altar. He had them do this four times. "Now," said the teacher, "can anyone in the class tell me why the Lord would have Elijah pour water over the cattle on the altar?" A little girl in the back of the room raised her hand with great enthusiasm. "To make the gravy."

The Life Chain (Oct 2) was a pro-life success!

Above: a few of the 18 or so pastors who showed up with many of their members at Life Chain.

Above, center: Jr Elder Matt Anderson. Many members of CAC turned out to help pray at the Life Chain, seeking God's face for helping America turn away from the horror of abortion.
