## Sunday AM

Elder Lorren Godwin preached "The Importance of Prayer" from Genesis 18:32-33. It is important to have a prayer life. God desires to have communication with us. No one should have to badger you to pray. Rather, pray because you want to. The most successful people are the ones who are on fire for God, the ones who have daily communication with God, the ones who stay faithful. Hardships may occur even though we stay prayerful, but it is not because our prayers aren't heard. We must continue to seek and trust Him. The storms of life will come and if you aren't grounded, they will shake you. Prayer is your foundation. Abraham's prayers saved Lot. Your prayers are more powerful than you think they are. Don't stop praying for your family! Don't stop praying when it seems the heavens are closed up! Just because you don't see it happen doesn't mean it's not happening. God is all-powerful.

## Sunday PM

Jr. Elder JT Sandy preached "He Loves Us" from John 11:32-36. The shortest verse in the Bible is, "Jesus Wept" (John 11:35). This short verse is a powerful description of how Jesus loves us. Sometimes you don't realize how much you love someone until they are gone. We must show love and concern for people while they are living. This week reach out to someone and let him or her know that God loves them. Oh, how He loves us!  
Jr. Elder Kieran Joseph preached from I Samuel 15:16-22. To obey is better than to sacrifice. If God tells you to do something, listen and obey. God can move mightily in your obedience. It may be the difference between someone being saved or perishing. There is always a reason when God nudges you to speak to someone. He knows all things, therefore He can see ahead and we can't.  
Elder Lorren Godwin commented on how we are all ambassadors for Jesus. The Lord has chosen us as a vessel to make a difference in someone's life.

## Wednesday

Elder Zach Sandy preached "Stay Lit" from Acts 2:1-4 & 1:8. The touch of the Holy Ghost changes one's life. It's like fire shut up in our bones. God wants us to be sold out to Him. Even when we aren't in church service we must pray and keep the Holy Ghost stirred up within us. Only then we will have power to shake off things of this world. Every day we must stay on fire for God—stay lit. God wants to use us to minister to souls, so we must stay on fire for Him.  
Elder Rusty Sandy preached "He Knows" from Matthew 6: 25-34. We may not understand our hurts, pains, and struggles but God knows. He knows what we are going through. We need to trust Him; He knows and will take care of us. We don't have to worry about what we are going to eat or wear. Trust God. He knows what we need. "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you" (Matthew 6:33). He knows our future. We must trust Him.

## Fun! Kids Corner Maze: Prodigal (Wasteful) Son

My husband and I purchased an old home in northern New York state, from two elderly sisters. Winter was fast approaching, and I was concerned about the house's lack of insulation. "If they could live here all those years, so can we!" my husband confidently declared. One November night the temperature plunged to below zero, and we woke up to find the interior walls covered with frost. My husband called the sisters to ask how they had kept the house warm. After a rather brief conversation, he hung up. "For the past 30 years," he muttered, "they've gone to Florida for the winter."

# Christian Apostolic Church

Where Miracles Live!

**Tonight and tomorrow at CAC!**

We are thrilled to announce that **Pastor Gerald Anderson, of Charleston (who leads "The Point" — East Point Apostolic Church)** is to minister here at Christian Apostolic Church in tonight's service, and he is also to be with us at the prayer event tomorrow night at 6:00 pm!

Join us for a time to seek God's face for His blessing and help on our leaders in this crucial time in world history, for both the USA and our greatest democratic ally in Middle East, the Jewish State of Israel. God has promised to bless those that bless Israel, and curse those that curse Israel. In this time of anti-Semitic resolutions from the United Nations and ominous potential nuclear threat from Iran, entrenched state sponsor of terrorism, it has never been more crucial for America and Israel to STAND TOGETHER, especially with our Presidential Inauguration just around the corner! This event is free and open to the public. Please tell your family and friends about it, and "Like & Share" the event on social media to help spread the word. **May God bless the USA and Israel with righteousness and peace!**
