Sunday AM - Continuation of our Survey of the Book of Acts

Pastor Joseph preached "A Word From the Lord" from Acts 23:11. Up unto this point in Paul's journey we saw hints through prophecy of an ill fate happening to him, having to do with Jerusalem. He himself thought that, beyond beating/arrest, the ill fate would include *death* at Jerusalem—and he was willing to die for the Lord's sake. However, the Lord had such care over what was happening that in order that Paul wouldn't be confused, Christ appeared to him personally. At times we may not see God physically yet we feel like the Lord is personally with us. When the presence of the Holy Ghost is among us, it is "Christ [Messiah] in you, the hope of glory." God is with us in Spirit form all the time—365 days a year. When God "moves" He's actually intensifying our awareness of Him. God is with us—the Lord/Messiah is with us in Spirit. If we would be more aware that He is with us, we would govern our behavior better. Our Lord is with us all the time and sees all that we do. We need to live a life that is pleasing to God all the time.

Sunday PM

Pastor Joseph preached, "Surrender" from Jeremiah 38:4-6,11-17 & 39:1-5,16-18. When God tells us to do something, we must trust Him and do it. At times the children of Israel doubted God and received judgment, such as wandering in the wilderness for forty years. Woe to the man who issues judgment when God demands mercy, and woe to the man who grants mercy when God demands judgment. Woe to the man who doesn't march forth to conquer when God says "conquer" and woe to the man who doesn't surrender when God says "surrender." God's judgment is coming to this wicked world. We must separate ourselves from the world and its evil. Holiness is a wonderful privilege, not a ball and chain that has been shackled to you by an authoritarian preacher. When you countermand the Word of God preached by a man of God, in front of family/new converts, you're killing the preacher's influence. Don't be a spiritual chameleon. We must have a backbone and live for God whether it's convenient or not. Obey the truth of God's Word. We must surrender to God's will and His Word.

Wednesday — our dear Elder Chuck Hoskins was promoted this night.

Elder Les Benedum preached "Step On Up" from Genesis 28:10-15. The most important thing Jacob saw in his dream was not angels descending and ascending on the ladder, it was the Lord standing at the top of it. Jesus is the way. There's only one door to Heaven so you'd best be on the road that leads you to that door. We don't need to feel anything as we're climbing the ladder because Jesus is at the top. We need to keep climbing no matter the circumstances around us. He will take care of us in any situation. We need to continue our walk of faith. God doesn't want us to stay where we are. He wants us to trust Him and step up higher. We need to step up and help our bothers/sisters in the church. We need to step on up and pray or fast for someone or whatever you sense that God wants you to do.

Lasting Palm Sunday Impressions

My wife planned an activity for our two and one-half year old daughter during the week following Palm Sunday. After having her cut and paste brightly colored construction paper coats and palm branches on a picture of Jesus riding into Jerusalem, she spread coats in our hallway, and the three of us walked over them, shouting, "Hosanna! Blessed is He who comes in the name of the Lord!" A couple of days later, we reminded Jamie that the following Sunday was Easter. "Do you know what that means?" her mother asked. "Yes!" Jamie chirped enthusiastically. "We're going to church, and Jesus is going to come and walk on our coats!"

The Triumphal Entry

A very large crowd spread their cloaks on the road, while others cut branches from the trees and spread them on the road. Matthew 21:8 (NIV)
