### Sunday AM

Pastor Doug Joseph taught Part 1 of "The Doctrine Of The Bible" from II Timothy 3:16. God is a *speaking* God. The Bible is God's Word. All scriptures is given by inspiration of God. He spoke to holy men of God and they wrote His Word, as the Holy Ghost moved on them. God can give us a revelation. He can open our imagination to understand God's Word. The Bible is noble, profound and true. Only the Bible accurately diagnoses the fundamental human problem by teaching that all humans are sinners. The Bible has a consistent unity theme despite 40 authors over 1500 years. There is historical verification that the Bible is true such as kings, water tunnel of David and judgment seat of Jesus. Archaeologists tried to claim the Bible was wrong only for subsequent discoveries to prove it true. The Bible has a life-changing power in individual lives. There is a witness of the Spirit of God. Many promises and miracles were fulfilled. Also prophecies concerning Israel, the Gentile nations, the birth, life, death and resurrection of Jesus and the last days were fulfilled. The Bible is inspiration or "God-breathed". It is scriptural authority, our only guide to salvation and our only guide for Christian living. "Thy word is a lamp unto my feet, and a light unto my path" (Psalm 119:105). God's Word is the whole, consistent, eternal and unbreakable truth.

### Sunday PM

Pastor Doug Joseph preached, "To Shut Up or Not" from Isaiah 62:1 & Luke 4:35. People, who have been baptized in Jesus name, have the Holy Ghost and have submitted their lives to God have the authority to resist the devil and he will flee from them. Holiness/righteousness is beautiful. It's something we talk, walk, dress and act because God has told us. We've heard the voice of God telling us what is sin and we chose to obey. God's people are to be like trees of righteousness. The world is trying to entice us to sin. But we must make up our mind that we are going to serve the Lord and walk in purity, holiness and righteousness. God wants us to be a strong tree of righteousness. We must not shut up. We must speak the truth in love and keep talking about salvation and righteousness.
